ftc.gov/PaymentApps

Ever send money through an app like Venmo, CashApp, or Zelle?

Sending money through a payment app is like sending cash — it's very hard to get it back. Make sure you know who you're sending money to when you use a payment app. If you're not sure whether you're dealing with a scammer, contact the person or business at a **phone number you know to be real** to ask if they sent you the request. And know that your bank will never contact you to tell you to transfer money or to ask for personal information or passcodes. Learn more at ftc.gov/phishing.

Want a safer way to send money? Log in to Telcoe.com (or your checking account elsewhere) and send through BILL PAY. Choose the option to **PAY A PERSON**. You can pay a babysitter, a friend, or a business. Learn more at www.Telcoe.com

3 JAR SAVING SYSTEM

How can you teach children the value of money?

Label three jars, "SAVE, SPEND & GIVING". When your child receives money for their birthday (or chores) you help them learn to divide the funds. Plan a visit to Telcoe to deposit the "SAVE" jar with your child to earn dividends.

SCHOLARSHIP AND ACADEMIC AWARDS ANNOUNCED

We are pleased to announce the recipients of our scholarship for graduating high school seniors. These outstanding students have demonstrated exceptional academic achievement, leadership skills, and a commitment to community service. Each of them has shown remarkable dedication to their studies and possesses a bright and promising future. We are proud to support their educational journeys and look forward to seeing all the great things they will accomplish. We also wanted to recognize additional students this year with an academic award. We are proud of your accomplishments and aspirations.
